"ON! SAIL ON!" IS THEME OF BANQUET

At 1800 (3:00 p. m.) on Friday, May 10th, the annual Junior-Senior banquet was held at the St. Paul's Parish Hall. In keeping with the nautical theme the stage of the parish hall was a sea-side scene with the billowy white-capped ship "Wartburg" riding the white-capped waves toward a beaming lighthouse.

The guests enjoyed such musical numbers as "White Caps" (patented), U. S. S. Iowa Favorite (corn), and Red Sea (tomato juice) among other things, while seated at tables arranged in the shape of an anchor.

Coxswoon Norman Longhish, president of the Junior class, "Saluted" the Senior class and First Mate, Roland Jakob, their representative, replied with the "Aye Aye." A Sea Yarn on the cello by Selma Ann Johnson, Harp Solo by Bontawm Helene Haefner then upon a salty yarn by Mrs. C. Henry recounting the exploits of the Senior crew boat aboard their training voyage.

A Sea Yarn in keeping with the nautical theme followed by the Quartetmaster, Pres. C. H. Becker—a pleasant mixture of humor and seriousness.

Selling Songs by the College Glee Club, followed by the G. G. Krebs delivered the sailing orders to the Seniors. As a good example of a nautical pun, the training ports—the home and the harbor, he pointed out the stormy seas ahead and said they must serve as they voyage to the final destination. With a flourish in life, and, finally in striving to reach this port, they should keep their minds in mind—where to strike, where to expend their talents, where to remain, and where it takes two to make a marriage—a single girl and an anxious mother.

The evening ended at 2100 (9:00 p. m.), concluded with the final "Bon Voyage" by the Coxswain and the singing of the Wartburg Loyalty Song.

ALUMNI DAY SET FOR MAY 20

Alumni Day will be on Sunday, May 20, and it is anticipated that a large number of alumni and friends will be present at the campus for that day as well as for the other Commencement functions.

A luncheon at noon in the college dining hall will be the first of the day's events. Following the luncheon, the Alumni Association meeting will be held. The results of the elections for the Alumni officers will be announced at this meeting.

Chimizing this day will be a banquet at 6:30 p. m. in St. Paul's Parish Hall. Rev. Martin E. Beck, pastor of the church, will be the speaker, and the Rev. D. McFarland, pastor of the First Lutheran Church, will be the guest of honor. This year's graduates will be the guests of the Alumni at the banquet.

Faculty Plans For Summer Vacations Still Remembering What They Are

To give the student body an idea of how the faculty of Wartburg will be spending the coming summer, plans for the building of the faculty, chosen at recent, are here given.

Professor Gerhard Ottersberg will carry on research work in the archives of the American Lutheran Church in the Seminary at Urbana, Iowa for his Doctor's dissertation.

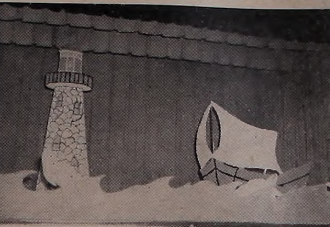

Dr. John Hiltner has on his schedule lectures at four Bible camps in the Iowa District Lutheran Church. Leadership Training School, a Study Bible Conference, and meetings of the Visual Aids Committee of which he is a member.

Mrs. Penra Olson, librarian, with the exception of about a month of vacations, will spend the summer getting the Wartburg Library ready for the coming year. Library fish-tailing inventory of all the books, and preparing the new books, and the volumes which have arrived, and completely and carrying out the plans for an additional reading

PASSAVANT SOCIAL CLUB ORGANIZED

On the night of May the second, Dr. Johnson, head of the Social Welfare department, met with student students to lay the groundwork for a new campus organization, the Passavant Social Welfare Club. The Passavant Club takes its name from the late Dr. W. A. Passavant, who was well-known in the field of welfare work.

A temporary secretary and president were elected in order that plans could be made for the coming year. This executive committee will work with Rev. Johnson.

It was decided that the executive committee should select temporary committees to work on the constitution and the program for the coming year. The main objectives of the club were stated and accepted tentatively as such:

1. To create a social service center among the student body.
2. To foster an appreciation and awareness of professional life.
3. To stimulate the thinking of students in social work services and technique.
4. To supplement the regular work of the classroom as carried out in the Social Welfare department.
5. To provide a medium of social service for the student body.

It is hoped that the beginning of the 1947-48 school year will find the department strong to take its stand among the leading organizations of the campus, and to serve the student body as Passavant served his fellow-men.

Dr. M. Wiedersanders and Emma Hanneken attended a meeting of executives and advisers of College Red Cross Units in the city of Iowa, held at Ames on Thursday, May 2.

Dr. Wiedersanders is the faculty advisor of the unit at Wartburg College. To date there are only three units in Iowa which will conduct a Red Cross unit.

Dr. Alfred Haefner plans to be out on student solicitation part of the summer. He will visit the Bible School in the Bennington Parish of which he is the district pastor. Dr. Haefner wishes to erect a shelter for his family, although he does not yet think of leaving his present home.

Professor Alfred Aarnold is continuing his graduate work at the University of Minnesota, where he is working on his thesis.

Dr. Martin Wiedersanders will move to his new home at Wartburg, Iowa, in the summer.

Teachers, Alumni Take Positions For Coming Year

Wartburg students who have accepted positions as teachers for the coming school year are: Darlene Brandt, Jessup, Iowa; Martin Peterson, Hoar, South Dakota; science and physical education teacher, La Bonita, Hawaii; Edna, Iowa, primary teacher, Eureka, Nebraska; Boyden, Iowa, primary teacher.

Wartburg alumni who have accepted teaching jobs for the next year are: Esther White, Tecumseh, Nebraska; Doris Kump, Waverly, Iowa; Carl Zeigler, Mankato, Minn.; Irene Mulkey, Nevada; Alvin Brall, superintendent at Preston, Iowa; and Elmer Kesch, superintendent at Waucoma, Iowa.

Pi Sig Functions; Hike and Ceremony

Adorned in gay spring formal, the Freshman Pi Sigma members received a rousing of Pi Sigma organization, on Sunday, May 12. The scene of the initiation was the reception room of the girls' dormitory, artistically decorated in flowers, ribbons, and lace.

After the ceremony conducted by the Senior girls, each member received a nosegay of Pink snapdragons. A light luncheon was served, coffee and cake, and the afternoon's activity was brought to an end.

The annual Pi Sigma Bix and Little Sister hike went on Friday, May 10. The rain didn't forbade a hike, but a picnic in the front Rose Garden was provided an excellent substitute.

The foot committee, headed by Jeanette Zentke, efficiently prepared and served the food in the dining room. The hike was a short business meeting was held the following officers for 1946-47 were elected:

Pres.—Emily Hanneken
Vice Pres.—Dorothy Loomis
Sec.—Jill Mae Oaks
Treas.—Margaret Richman

REVELS NEXT PREXY

Wartburg College student elections for student government representatives were held the past week. The elective positions for the 1946-47 school year were decided, except for the freshmen representatives.

New student body president was elected by the freshmen, Larry Roberts, Junior Pre-Two. Pre-Two president will be elected by the sophomore class.

Newly-elected members of the student body executive committee are: Herman Diers, Norman Langloir, and Alvin Pines. Sophomores, Emily Hanneken, Paul Mueller, Marilyn Wallace, and Ernest Lutz, are also members.

Dr. Edwin Edmond intends to spend the summer working on the three new music courses for next year, selecting the best available, and attending the Bible Camp of the Central District Bible Church at the University of the Central Union Church.

ATTENDANCE HIGH ON SENIOR DAY

Over 300 high school seniors representing 35 high schools from the surrounding area were present for the Wartburg College Senior Day. Ten prospective students also participated in the coming school year. Several students from Chicago and Paul, Minnesota, also turned the campus.

After a busy morning of visiting classes and touring the campus, the seniors witnessed several tennis matches and the district of Upper Iowa in an Iowa conference basketball game.

The day was brought to a successful close by the production by the Wartburg Players of John Fox's "Little Shepherd of Kingdom Come."

Fortress Out

The 1945 Fortresses are out. The lines have been dissolved. All forms of the old and the new students (formerly writing fond remembrances in each other's books) have been released.

Gertrude Broeking will succeed to the position of president of the Phebes organization in the 46-47 school year.

The 1946 Fortresses will be held in Wartburg Hall, Monday evening, May 13, at 7:30 p. m. Dorothy Hiltner, president, will preside. The 1946 Fortresses will be held in Wartburg Hall, Monday evening, May 13, at 7:30 p. m.

Shalky Travels

Rev. C. G. Shalky, pastor, left Monday, May 6, to attend the National Convention of the American Lutheran Church, held at Lexington, Kentucky. The meeting was held from May 7-10.

A Final Analysis
During test week our thoughts turn to one thing, Just what have we gained from the past year of college? Our tests show us in part, and our minds tell us in part.

Certainly the year has not been a perfect one scholastically. Our weaknesses in our various subjects come to light as we study for our tests by reviewing, cramming, or whatever our method may be. We realize that there is much that we have failed to learn; but we also realize that we have gained some knowledge in the various fields of college work. Some of it will remain with us for a few weeks, some of it, a few months, and probably some of it will be with us for many years.

We hope that we have taken something from our college education that will be really profitable to us. Certainly this is the thing that will stick with us throughout our lives. Whether we have taken our education from the classroom, the athletic field, the choir stands, the dining hall, the chapel, the theater, or our dormitories—that is of little importance. It is all a part of our college experience.

We do not have to take semester examinations to see how well we have learned some things. The significant tests will come in the future when we have occasion to use what we have learned in our relations with our fellowmen. We shall not be able to cram them! Let us all strive to pass these "examinations" with flying colors!

Religious News and Views
By RUDOLF MARTENS

Survey Results
Recently a survey of religious practices in the home was undertaken at Wartburg College. This writer feels that the results are interesting and valuable enough to warrant calling attention to them. It should be pointed out that this poll was taken in a small midwestern community and reached a good cross section of the population. More than 90% of the questioned asserted that they were members of a church, but only 70% of them attended church every Sunday. Indicating that the church has failed in its aim to attract all students. All Bible classes, but it was charged first that no one was questioned claimed to use their Bible regularly. More than half of the great majority of the students reported that they read a church magazine while the average read two religious books per year. On the whole this report indicates the use of religious literature in the home is less than it should be. It is usually believed with 60% taking part in family devotion. It is hoped that readers of this column who are pre-theological students will take note of the great opportunities in interviewing. The future pastor will make use of this system when he is in the home.

Conclusions
As this writer prepares to graduate from Wartburg College, he realizes that this is his final column in this paper. It would indeed be a waste of words to elaborate on the privilege of writing this column. But if my readers will bear with me, I would like to review the past two years in brief. The first column discussed the plans for the future Wartburg and spoke of the need for keeping the present spirit no matter how large the school goes to be. Other highlights of the first year concerned the sweep of Catholicism toward the American frontiers with all its persecution, its savagery, a defense of Martin Luther against ignorant attacks, and congratulations upon the success of the editorial appeal drive. This last year's highlights were: Kagawa—a Japanese Christian leader, speaks; Japs welcome American mission, appeal for Lutheran relief to our brethren in Europe, Catholic murder of Protestant ministers, a plea to keep the faith, and the Lutheran World Action program. It is hoped that these articles have kept my readers aware of present trends and that they have been of value.

Thanks To Him!
To my readers from near and far, I express my deepest thanks for their letters of reassurance and inspiration. When this writer took over this position, our world was engaged in the most fearful struggle that has ever been known. Today we look into a world of peace and while the clouds still hang threateningly in a few parts of the world, we can definitely see the road clear before us. The road is clear but ahead of us lies the challenge of keeping that so-early-bought peace by carrying the Cross of Jesus Christ to all mankind. We must preach and teach that Gospel of the Kingdom which is everlasting—the same yesterday, today, and forever. We have seen our dear Lutheran Church rise to meet the numerous crises which have presented them-

selves, and triumph over them with the help of the Lord. We can rest assured that with Christ on our side we will be victoriously resisting the inward attempts to destroy our faith. The watchful stand firm in your faith be courageous, be strong. Let all that you do be done in love. 1 Corinthians 13:3. God bless all of you and may His peace which passes all understanding be yours during the coming summer. May those who return to school this fall do so to the furtherance of the spirit of Christ here at Wartburg while those who leave go forth in His name, no matter what their field of endeavor may be. God be with you till we meet again. All this is asked in the name of our exalted but gloriously risen Redeemer, Amen.

MUSIC HORIZONS
TO BROADEN

Several changes are being made in the offerings of the Music Department for next year. Following is a preview of these changes which will appear in the 1946-47 catalog.

An Introductory Course
A new course, "Introduction to Music," will be offered to students for preparation in music study of college caliber. The contents of the course are divided on a three-fold basis: a study of Music Theory, class instruction in Piano, and class instruction in Voice and Sight Singing. The class will meet twice a week yielding one hour credit per semester.
Additional Credits for Music Majors

Majors will now also be offered in Music Theory and in Applied Music besides the present major in Music Education. A total of 40 semester hours in music will be required for a major in either course.

Course in Sacred Music
The current school year has seen the introduction of two new courses in the field of Church Music: Hymnology; and The Lutheran Choral. Next year will see two additional courses introduced: The Music of the Liturgies, and History of Church Music. Thereafter, the rotation of these four courses, offering two each year, will be continued.

Other Changes
Freshmen and music majors will hereafter be allowed to participate in Band and Choir. One-half hour credit per semester will be given for class instruction in these.

Pvt. Luverne Haise "visited the campus on Wednesday of last week. He was to report back to Washington and from there, he shipped either to Alaska or the Pacific.

Dubuque Booster Banquet Boosts Wartburg In Big Way

Two hundred and seventy loyal alumni and friends of Wartburg College were present at the Booster Banquet of the Dubuque Alumni Chapter in the dining hall on Thursday evening, May 10. During the four-and-one-half hour session those present contributed enough money to purchase a station wagon for use here at Wartburg. The total cash contributed was \$1,324.60 and substantial pledges have come in since that time.

The banquet began at 7:00 with the official "go" signal from the dining-chapter members, Paul Keller, Pastor Wm. Stenz was introduced to toastmaster and commended the attention of the group for the rest of the evening. The first speaker was Pastor H. Adia, Alumni Association President.

who welcomed the alumni and friends. Dr. Bodenacker, president of the Synarchy, extended a welcome from the faculty and student body, and in one of the finer addresses of the evening, blessed Wartburg College to the children, a homesick woman who was told to begin to build her tent, for she was to become the mother of many. "Just as she was told to build a large house, as she would have so many children she would not have room for them, so Wartburg should build a large structure to make room for the many children she will have."

Pres. Becker, Wartburg's official representative, told the group that the stress in the history of Wartburg is past. He pointed to the 10 to 1 increase in advance applications over last year and set the goal for 1947 at 500 students and North Central Accredited. He also pointed out that Wartburg's faculty was ranked in the 7th percentile of all North Central faculties by the Nelsic report. Dean Roselius also spoke for Wartburg and Richman played two piano selections as the musical part of the program. Also playing music was a string ensemble from Dubuque.

The main speaker of the evening was Dr. Wm. Scott, First Vice-President of the A.A.U.W. He said and emphasized that Wartburg, the usual ingredients plus a good amount of Christian generosity are needed. "God America has lost her sense of mission," he said, "and it is in this situation, according to Dr. Scott, Christian Colleges can help to recapture that lost sense of mission."

Knights in Three of Four

Pound Platteville Hurler For Nine Hits, 13 Runs

DROSTE PITCHES FINE GAME

The Knight baseball men hung up their third win of the season on May 18 on the local diamond by walloping Platteville Teachers from Wisconsin 13-3. The game was a loosely-played affair with a total of 11 errors being committed, and the Knights making their 9th out of 13 runs, while Platteville collected 5 hits.

Omsted started on the mound for Wartburg, but retired from the game after the first inning with a sore arm which he collected himself off and on this year. Ed Droste came in and set the Wartburg boys down with 4 hits and struck out 11 batters to win handily. Endre worked the whole game for the Platteville squad, gave up 9 hits, and walked 7 Knight batters. Platteville jumped into a temporary lead by scoring lone tallies in the first two innings, but the Knights came back with 4 runs in the last half of the record to take the lead. The big Wartburg inning came in the 6th when the Knights scored 8 runs on 4 singles and 2 errors.

The only extra base hit of the game was a triple by Hoffmeister of Platteville, but he was out at home plate as he tried to advance to home.

Errors: Meier 3, Lechner 2, Droste 1, Hoffmeister 3, Murphy, Poland, Matheon. Struck out by Droste 11, Endre 4, Sells 3. Jack Hughes, left on bases: Wartburg 5, Platteville 8.

EDGE PEACOCKS IN SENIOR DAY CONTEST

The Knight baseball men posted their first win of the current campaign with a 2-1 victory over the Upper Iowa Peacocks in a large Senior Day crowd on the Waverly City field. It was a case of revenge for Wartburg as the Fayette boys had beaten the Knights 5-1 at Fayette just a week before.

Wartburg scored first in the 6th and again in the 8th for the deciding margin, while the Peacocks managed to count a lone marker in the 9th to prevent a shutout. The first Wartburg run was the result of Borck getting on a base in error. Omsted beating out a bunt, and Bill Hughes, being intentionally walked to fill the bases on two out. Then Hoffmeister, Peacock pitcher, uncorked a wild pitch which let Borck score the first run. However, in sliding into home plate, he got a bad cut over the eye and was forced to the sidelines.

The other Knight tally came in the sixth when Max Petersen, first sacker, pounded out a long home run to left centerfield, for the last Wartburg hit of the game. The Peacocks combined an error on singles by Turner and Fernan to score their runs with two out in the 9th.

The game turned out to be a good pitching duel between Hoffmeister of Upper Iowa, and Ted Omsted. Ted struck out 15 batters and issued 7 walks, while Hoffmeister struck out 7 and walked one. The Knights were out 5-3, but the Peacocks committed 3 errors to

Simpson batters with 2 hits in 4 trips to the plate. The big timing for Simpson came in the 4th when they combined a walk, an error, and three singles to score 2 runs. Droste for Wartburg and Frazier for Simpson both worked the whole game on the mound.

CINDERMEN THIRD, FIFTH

Simpson's 26 man track squad overhauled other competition in the Iowa Conference meet, Saturday, May 11, to finish 1st in 220 and 440 points. The Knight trackmen finished fifth with 14 points. Dick Fenske won first in the 440 and fourth in the 220 to lead the Wartburg point-getters. Paul Koch placed third in the 100 yard dash and third in 220, and Leroy Quaid finished in the third spot in the 2 mile run. His other points were garnered by the 360 yd. relay team who also finished third in that event.

The Wartburg cindermen finished third in a quadrangular meet at Peoria on May 8. Simpson topped top honors with 81 points; Central was second with 43, Wartburg 25, and Iowa Wesleyan 15. The Knights took first in the 100 yd., the 220, and the 440 yd. dashes. Dick Fenske won the 440 and tied with Paul Koch in the 220 for first place. Paul Koch won the 100 yard dash. Other Knight points were counted by Leroy Quaid, who finished third in the two mile run and the 880 yard run. The Wartburg mile relay team finished in second place in the mile relay for their final points.

MARTIN TO BE NEW L. S. A. HEAD ON CAMPUS

Sunday evening, May 5 the L.S.A. of Wartburg College held its last meeting of the year. A short business meeting conducted by the president, Lloyd Dobroth, was held in convocation hall, at which time new officers were elected for the following year. They are as follows: Ray Martin, president; Paul Albens, vice president; Gertrude Breckner, secretary; and Albert Meyer, treasurer.

After the meeting, the entire group went for a mile hike north-east of town. A picnic supper was served, which seemed to be enjoyed by the entire group, and then Albert Meyer led the group in devotion. His text was taken from Galatians 6:1-10. In his talk he set before us a challenge to become good Christian leaders in our churches, to matter what our life calling is going to be, that we are to take on our own burden and not be weary, for in due season we shall reap, if we faint not.

Science Club Has Hike

Some thirty members rallied to the cause and enjoyed the annual Science Club hike and picnic at the sand pit on Tuesday, April 30. Stella Bahr has been elected as president of the club for the coming school year.

Well, what at the end of another school year and we stop to look back over the year's specific activities. Looking at the football record, we find that the Knights finished in the runner-up spot in the conference. Probably the highlight of the season was the 19-0-0 feat handed the Dubuque Spartans, which is the first win over the Spartans. Other highlights were the 20-8 Homecoming win over Luther and the coming from behind in the Upper Iowa game to settle for a draw, 20-20.

Turning to basketball, we find that the Knights had tough playings and could win only 5 contests while dropping 15 games. However, Ted Omsted racked up 237 points to finish second in the conference scoring race. He also established a new record for free throws by converting on 67 chances, and broke another mark by scoring 35 points in a single game.

Of First Importance for Your College Career

• A Competent Faculty

A recent survey of the college reveals that the Wartburg staff ranks with the upper 10% of the best college and university faculties in professional competence. In addition, Wartburg staff members are carefully selected for their ability to furnish Christian counsel and guidance. It is of first importance that a college offer the finest teaching talent and Christian leadership for the students that come to its campus.

• A Sociable Student Body

Student life at Wartburg is pleasant. Students here have much in common—common interests, common objectives. They come from all parts of our country and from foreign lands. They get to know each other well because the student body is comparatively small, and because practically all students are housed in dormitories. It is of first importance that students enjoy the fellowship of those with whom they spend some of the choicest years of their lives.

Plan now for the years to come! Extensive preparations for a greatly expanded program of service are underway at Wartburg. If you want college training, write to:
